

COVID-19 Pandemic, and Rush Hour's Defense and Preparation:

RACING:

- **WE will sanitize all point of contact on the KARTS and HELMETS between races!**

- We are limiting group sizes for racing and being in the building.
- MAX **7 to 8** people in a race or group.
- Only **2 RACES** allowed per person, to allow time for sanitization, and other walk-ins.

- We will **MANAGE** the traffic flow SO Groups do not **CLASH IN THE PITS / LOCKERS AREA!**
- We will **MAINTAIN SAFE SOCIAL DISTANCING BETWEEN GROUPS!!!**
- After each race, we **SPRAY HELEMETS AND NECK BRACES** with DISCOVER (a Hospital Grade Disinfectant)

- **If the customer is racing again, they will keep their helmet and neckbrace!**
- **We PLACE HELMETS (for those finished racing), on HEATERS to DRY or SANITATION MACHINE, for atleast 8 minutes.**

- **END of the night, we spray down karts, from bumper to bumper with GERMICIDAL GIANT CLEANER.**

PPE (Personal Protection Equipment):

FACE MASKS:

- Available for customers at all time at front desk, for NO CHARGE
- Optional for customers to wear, if they want

- **Customers must wear a headsock to race. (Which is worn before the helmet) If they do not have one, we will supply a BRAND NEW one for \$2**

- **FULL FACE headsocks, with built in Face Masks available for \$4**

- EMPLOYEES to have face masks at all times

OPTIONAL for customers who do not want to share a helmet, can purchase a NEW ONE for \$49. ALL sizes and Colors available!

Sanitizing stations everywhere in the facility.

We will make sure they are always stocked and clean.

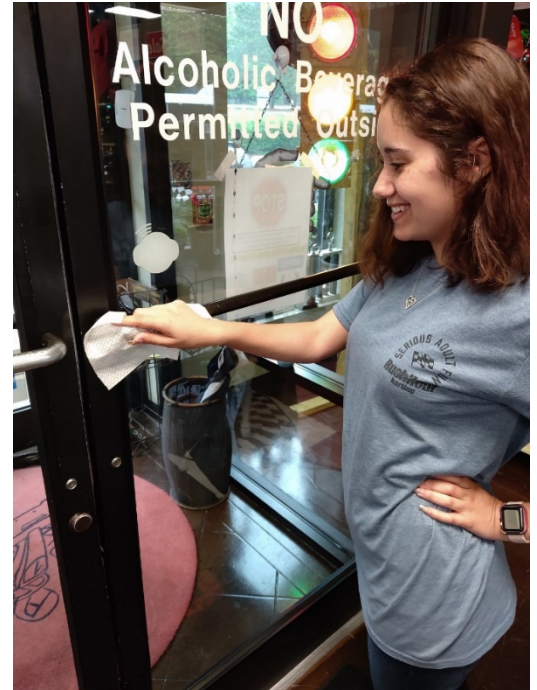

LOBBY:
