- **Recommended for 20-30 people per 1.5 hours**
- Choose between an **Endurance Race** or a **Casual Race**

Endurance Race

- Great for team building as people work together in teams against others to win
- Each team will work on a pitting strategy to get in and out of the karts as quickly as possible
- Teams are racing to achieve the most laps in the specified time
- 2-5 people per team, with one kart per team

Casual Race

- All the fun without the stress of an endurance competition
- Individual racing for duration of event
- Each race is 8 minutes long with a max of 10 racers at a time
- Those who are not racing can enjoy the other activities and restaurant
- At the end, we will take the top 10 overall and have a Championship Race
